ORDER ENTRY SPECIFICATIONS

When placing your order please remember to specify the following information:

- Chair model
- Number of chairs
- Fabric/Leather and Colour Code
- Plastic colour on HÅG Capisco Puls, HÅG Conventio Wing and HÅG Celi
- Colour on seat&back, back stem, lift, five star base, (armrests optional) on HÅG Tion
- Colour of base
- Type of castors or glides
- Delivery date
- Delivery address

Colour on base
Where a base is specified in black, other metal components will also be in black, if not specified in other colours. Similarly, chairs on silver bases have metal components in silver. Other metal colours need to be specified for chairs with polished aluminium bases (extra cost option). Specified combinations are defined for:

- HÅG SoFi
- HÅG Executive

Castors
Both hard and soft castors and glides are supplied according to EN 1335 Class A standard, and must be specified at time of order (soft for hard flooring, hard for soft flooring). Additional castor options are available on request, but must be specified at time of order and the delivery lead time may be increased. Price on application.

PRICES

All prices in Euro exclusive of VAT. Valid from 01.10.2026. Quotations are valid for 30 days unless otherwise agreed.
Any typographical errors shall not be binding for Flokk and will be subject to correction without liability to the vendor.

CONDITIONS OF DELIVERY

Ex Works (Incoterms 2020) including packaging. A 3% transportation & energy cost surcharge on the net order value will be applied to all orders with delivery terms agreed different from Ex Works.
All products must be inspected upon receipt/arrival.
Visible transport damage and discrepancies in the number of items received must always be noted on the bill of carriage at the time of receipt and reported to the carrier and Customer Service, Flokk AS within 7 calendar days after receipt of the goods. Invisible damage (means no damaged packaging) must be reported in writing to Customer Service, Flokk AS within 7 calendar days after receipt. If there are any problems with registration of the claim, please write to Customer Service Flokk immediate when the problems occur. Documentation must follow the e-mail.

For transport damage you need to take photos and document the damage, before reporting in writing to Customer Service, Flokk Polska Sp. z o.o. within 7 days.

Please document:

- Picture of Flokk product label (including order no.)
- Pictures of damaged goods
- Pictures of damaged packaging
- Copy of transport document (if provided)
- Short description of claim

We encourage you to ensure recycling of all packaging material. Please sort and return the packaging material, using your local recycling partners/stations and follow your local regulations.

CHANGE/CANCELLATION OF ORDERS

Change/cancellation of orders on chairs or upholstery are possible up until production have begun. Each amended or cancelled order will incur a charge of 50 EUR per order. Once production has started orders cannot be changed. Change of orders within the HÅG Quick-ship collection are not possible.

For further information regarding change/cancellation of orders, please feel free to contact our Customer Service department.

HÅG WARRANTY

General terms and conditions
Flokk's warranty covers all HÅG chairs against material and manufacturing faults and defects from the chair's production date. The warranty covers any necessary spare parts. Labour and transport costs are not covered. Wear and tear must be expected from normal use and are not covered by the warranty. Unless otherwise is specified, the maximum weight for users is 110 kg. The warranty is conditional on the chair and fabrics/leather undergoing normal cleaning. The warranty does not cover the consequence of wear and stains when choosing a light (white) colour for upholstery, plastic or metal components.

10 year warranty for HÅG products and accessories
Flokk provides a 10 year warranty for all HÅG chairs and accessories that are in normal use for up to 9 hours per day. Please also see the general warranty terms and conditions.

24/7 – 5 year warranty
Flokk provides a 5 year warranty for HÅG chairs that are specifically purchased for 24 hour use and which are upholstered in 24/7 approved fabric/leather from Flokk's Standard & Extended Collection. Please also see the general warranty terms and conditions.

>9 hours/day – 5 year warranty
Flokk provides a 5 year warranty for all HÅG chairs that are in normal use for more than 9 hours per day. Please also see the general warranty terms and conditions.

Spare parts guarantee
Flokk guarantees the delivery of spare parts for a minimum of 10 years after the chair's production date. The guarantee covers the parts necessary to maintain the chair's original functionality.

IMPORTANT
To ensure and protect the original functionality and design of HÅG products, the use of non-original spare parts for repair or maintenance will void the general HÅG warranty.

Note:
Materials may vary in shade. For complementary orders, even in the same material—such as fabric, plastic, or metal—colour variations may occur compared to previous orders due to differences in dye baths or production processes.

APPROVALS AND CERTIFICATIONS

Flokk is ISO 9001 accredited. The German test institutes, LGA and Intertek, have approved and issued the GS certificate (Geprüfte Sicherheit) for a number of HÅG products.

- The majority of HÅG task chairs are tested in accordance with both EN 1335 Type A (European office chair standard) and ANSI Bifma (American standard).
- The majority of HÅG conference and visitor chairs are tested in accordance with EN 16139 and the ANSI Bifma standard.
- HÅG SoFi, HÅG Futu and HÅG executive are tested according to British Standard BS 5459-2, a commonly used standard for intensive use (24 hours).

EN 1335 is a European Standard for office chairs and considers dimensions of the chair, safety requirements and safety test methods. The European Standard tests are based on 8 hours daily use by persons weighing up to 110 kg (17.3 stone).

The British Standard (BS 5459-2) tests that the chair will be suitable for more than 8 hours daily use and for persons weighing up to 150 kg (23.6 stone).

The majority of HÅG products have Environmental Product Declarations (EPDs) and are certified with Swedish Möbelfakta and GREENGUARD Gold, while a selection of HÅG products are certified with the EU Ecolabel and Nordic Swan Ecolabel.

DISCLAIM
Flokk disclaims any responsibility for products that are configured or assembled in a different way than Flokk's official configurations. That is, as a result of component purchases, special orders or the like.

FABRIC AND COLOUR COLLECTION

Standard Fabric & Colour collection
Flokk provides a 10 year warranty for fabrics/leather from the Standard collection when the chair is in normal use for up to 9 hours per day, except Illusion 3.0 and PUxx1 where Flokk provides 5 year warranty. Flokk provides a 5 year warranty for fabrics/ leather from the Standard collection when the chair is in normal use for more than 9 hours per day, except for Illusion 3.0 and PUxx1 where a 2 year warranty is provided.

Extended Fabric & Colour collection
Flokk provides a 5 year warranty for fabrics/leather from the Extended collection when the chair is in normal use for up to 9 hours per day. Some of the fabrics in the Extended collection are available with a 5 year warranty when the chair is in normal use for more than 9 hours per day.

On request fabrics/leather
If the fabrics in the Standard or Extended collections are not what you are looking for, please contact Customer Service at Flokk, email: info-international@flokk.com. When choosing "On request" fabric/leather the general warranty terms and conditions are still valid, except for the upholstery which will be without any warranty. This does not affect your rights and obligations under local law. "On request" fabrics/leather can only be used following approval by Flokk.

Fabrics and leathers that are not tested on our products, need to have an upholstery test before we can approve it and the order can be registered. Cost (€ 215) for testing will be charged.

Divided upholstery
For orders specifying *divided upholstery*—where different colours or fabrics are selected for the seat and back of a chair—a net fee of minimum €50 will apply per chair. Please contact Customer Service for price offer.

ESD (ELECTROSTATIC DISCHARGE)

We can supply HÅG Creed 6002, HÅG Creed 6004, HÅG Capisco Puls 8001/8010, HÅG Capisco 8106 and 8126 as ESD chairs upholstered in anti-static synthetic leather (Nevotex) or Hi-Tech (Camira) Black AS064 in price group 6 +10%.
Flokk provides a 5 year warranty on ESD chairs, conditional on castors and upholstery being cleaned regularly with a suitable cleaning agent. The ESD models are only available in silver painted aluminium. The ESD models are always delivered fully assembled.

Parts can be delivered upon request, please contact Customer Service. When disassembling and ordering parts for ESD chairs, Flokk disclaims responsibility for ESD safety. The customer is responsible for testing whether the chairs are ESD safe.

CLEAN-ROOM

We can supply HÅG models with vinyl that are suitable for areas that need to be regularly cleaned. Please contact Customer Service for further information.
HÅG Capisco Puls 8010 upholstered in anti-static synthetic leather by Nevotex (price group 3) approves an air cleanliness test according to ISO 14644, class 4-5.
Flokk provides a 5 year warranty on clean-room chairs, conditional on castors and upholstery being cleaned regularly with a suitable cleaning agent.

HEALTHCARE

We recommend PUxx by Oniro and Illusion 3.0 by Nevotex. Both are easy cleanable polyurethane based synthetic leather for use within healthcare. PUxx and Illusion 3.0 are easy to disinfect with alcohol, chlorine or hydrogen peroxide solutions. PUxx1 colour PU215816 is available as standard in price group 3 and Illusion 3.0 colour ILU3110 is available as standard in price group 4. PUxx and Illusion 3.0 are not available for HÅG Conventio 9510, 9511 & 9512.

MAINTENANCE GUIDE

Care of fabric upholstery
Regular vacuum cleaning is recommended. Vacuum clean the chair with a furniture brush or wipe it with a clean white cloth or sponge slightly dampened with lukewarm, clean water. Marks and stains should be removed with a proprietary cleaner.

Care of leather upholstery
Wipe with a slightly damp cloth and gently rub dry. A good proprietary hide food should be applied at least once a year and more often if the leather is in a dry atmosphere or close to a heat-source.
Do not remove any plastic parts or attempt to open the seating mechanism.
For additional maintenance advice please contact our customer service team or our web site flokk.com.

Care of gas stem
Gas stems should be periodically wiped clean with a cloth and general purpose solvent, then a fingertip of light grease applied.

Retightening of screws
Due to heavy use, some screws may occasionally become slightly loose. We recommend periodically checking and retightening all screws to ensure optimal performance and safety.

ENVIRONMENTAL RESPONSIBILITY

Environmental considerations on our products and the manufacturing of our products are at the heart of our business. Flokk's Environmental Management system is thus ISO 14001:2015 certified. Most of the materials used in HÅG products can be recycled if handled properly. A complete material composition for each HÅG product is available on request.

PACKAGING MATERIAL - RECYCLING

We encourage you to ensure recycling of all packaging material. Please sort and return the packaging material, using your local recycling partners/stations - and follow your local regulations.
If you have questions on how to handle waste packaging material, please inform your contact person within Flokk.

END OF LIFE - RECYCLING

We encourage you to ensure proper recycling of your chair and its various components. Please dispose of your chair/components using your local recycling partners/stations - and follow your local regulations.
If you have questions on how to dispose or return your chair after use, please inform your contact person within Flokk.

FIRE RESISTANCE

On request. Please contact our customer service for further information.

Physical Measurements - HÅG task and meeting chairs

HÅG office (task) chairs are tested in accordance with EN 1335-1.
EN 1335 is a European Standard for office chairs and considers dimensions of the chair, safety requirements and safety test methods. The European Standard tests are based on 8 hours daily use by persons weighing up to 110 kg (17.3 stone).

HÅG meeting chairs are tested in accordance with EN 16139 and has fewer measurements given compared to EN 1335.
EN 16139 is a European Standard that specifies requirements for the safety, strength and durability of all types of non-domestic seating.

An EPD (Environmental Product Declaration) is a document that summarises a product's environmental performance. An EPD is based on a life cycle assessment (LCA). The requirements for how an EPD is to be made are specified in the ISO 14025 standard. These standardised methods ensure that environmental information can be compared product by product, regardless of manufacturer, region or country. Our EPDs are third-party verified. The GREENGUARD Gold Certification Standard gives assurance that products designed for use in office environments and other indoor spaces meet strict chemical emissions limits, which contribute to the creation of healthier interiors.

1) Included HÅG TiltDown™ armrests

* Based on post consumer recycled PP - Black or Brown. (HÅG Tion and HÅG Celi plastic versions use post consumer recycled PP for seat & back in all colours). EPD for HÅG SoFi is for black plastic version only.

** Valid for HÅG Tion model 2100, 2140 and 2160

Flokk Curated Selection

Flokk Curated Selection presents 40 carefully chosen fabrics, primarily sourced from our Extended Collection and complemented by selected qualities from our Standard Collection. It brings clarity, cohesion and confidence to specification across Flokk brands.

The fabrics are selected to harmonise with our wider material palette, including metal and plastic finishes, supporting consistent and well-balanced combinations across products and projects.

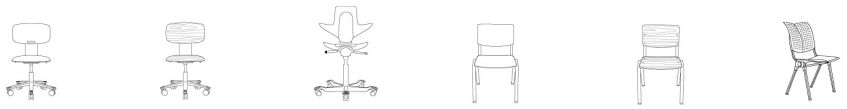

By focusing on a defined range of fabrics, Curated Selection simplifies decision-making while maintaining flexibility and long-term relevance.

Flokk is a family of design-led brands shaping workspaces where people and organisations thrive.
From our roots in Scandinavian task seating design, we've grown into a global leader in workspace solutions – creating furniture that supports people wherever and however they work.

The name Flokk comes from the Norwegian word for "group" or "herd". It reflects our belief that workspaces should bring people together – to focus, collaborate and connect.

We believe great design can do more than look good. It can enhance well-being, enable productivity, and help reduce environmental impact. We work closely with architects, designers, and businesses to shape workspaces where people feel supported, valued, and able to do their best.

Our collection of brands brings this purpose to life – delivering thoughtful, durable solutions for every kind of workspace and every kind of person.

Our growing family includes renowned names such as HÅG, Offecct, Giroflex, RH, Profim, Connection, Malmstolen, Stylex, 9to5 Seating, Via Seating, SPEC Furniture and ergoCentric – each with its own identity, yet united by a shared commitment to design quality.

Headquartered in Oslo, Norway, we have production sites across Europe, North America, and Asia, including Røros (Norway), Nässjö (Sweden), Turek (Poland), Mirfield (UK), Zhongshan (China), Hawthorne (USA), Delanco (USA), Reno (USA), Toronto (CAN) and Mississauga (CAN). Our global reach is supported by sales offices in over 15 countries, serving customers in more than 80 markets.

With around 2,400 dedicated employees, we work together to bring better spaces to life and to fulfil our vision; to **inspire great work**.
