General sales and delivery terms

This document applies for contracted distributors of Offecct.

SUPPORT

Purchasing products manufactured by Offecct, is a long-term investment. Therefore, we do not consider a delivery COMPLETE until we know the customer is 100% satisfied.

For support email: support-offecct@flokk.com.

More information about us and our products can be found on our website: www.offecct.flokk.com.

PRICES

Valid from 1 March 2025. Prices are stated in Euro, excluding VAT and customs clearance duties. All previous price lists are hereby cancelled. Offecct reserves the right to make price, design and/or construction changes at any time, as well as to amend payment terms. For our current price list, please contact your local sales representative.

TERMS OF PAYMENT

30 days net or according to agreement. Late payment interest will be charged after the due date at a rate of 18%. Goods sold remain the seller's property until paid for in full. We reserve the right to carry out a free credit assessment. Any collection costs incurred will be charged.

WARRANTY

The warranty for material and construction faults is five (5) years from the delivery date. Wear, tear and damage on lacquered parts, glides and felt glides, and Velcro for Soundwaves that have been moved, are not covered by this warranty.

Important: To ensure and protect the original functionality and design of OFFECCT products, the use of non-original spare parts for repair or maintenance will void the general OFFECCT warranty.

ORDER DATA

Submitted orders must contain complete information, including delivery method, delivery address, and contact details for delivery. For orders including a drawing, the drawing is regarded as the basis for the order and must be complete. The drawing will also serve as the basis for upholstery descriptions. Offecct takes no responsibility for any errors in drawings submitted by the customer.

ORDER CONFIRMATION

Order confirmations will be sent to the specified email address. The order confirmation serves as the basis of the order and should be checked by the buyer within 48 hours. After 48 hours, the order confirmation is considered approved unless otherwise notified. Please note that certain materials may be ordered immediately after the complete order is received.

CHANGE/CANCELLATION OF ORDERS

Changes or cancellations to orders for our products or upholsteries are possible until production begins. Each amended or cancelled order will incur a charge of €50 per order. Once production has started, no changes can be made. For further information regarding changes or cancellations, please contact our Customer Service department.

DELIVERIES & LEAD TIME

All lead times are based on receipt of a complete written order. Stock items can be dispatched within 5-10 working days. The standard lead time for upholstered products is 4-6 working weeks. For customised products or larger projects, the lead time may be extended and/or agreed upon with the customer. Our order confirmation will specify the week and day of dispatch from our factory.

If you would like more information about the carrier, tracking number, etc., please contact Offecct Delivery Department at offecct-order@flokk.com.

TERMS OF DELIVERY

Free delivery on orders valued over €1400 (Net). For deliveries outside the mainland, additional charges will apply. A freight and administration fee of €142 (Net) will be applied to orders below this minimum value. All goods are supplied using trailers. If vehicles equipped with a tail lift are required, this must be specified when placing the order, and additional charges may apply. For fixed delivery times, an additional cost will be charged. Postage and courier costs will be charged, where applicable, for certificates of origin and other required export documentation.

TRANSPORT DAMAGE

Upon delivery, it is the recipient's responsibility to verify the shipment for the correct number of packages and the condition of the products. In the event of damaged packages or missing items, this must be noted on the transportation bill and documented. A written notice must be sent to Offecct within five (5) days. Failure to provide this information entitles Offecct to charge additional costs. Damaged goods must not be moved to a different location.

CLAIMS

Any complaints must be submitted to Offecct in writing, well-documented, within seven (7) days of receiving the product. Delivered items may not be returned to Offecct without approval. Please note that the enclosed installation instructions must be followed; otherwise, Offecct will not accept any complaints. Complaints should be emailed to: support@flokk.com.

ENVIRONMENT AND QUALITY

Environmental considerations on our products and the manufacturing of our products are at the heart of our business. Flokk's Environmental Management system is thus ISO 14001:2015 certified. Environmental labels; Swedish Möbelfakta, EPD and GREENGUARD Gold.

Important information

UPHOLSTERY MATERIAL

All prices include upholstery material and are divided into price groups. For split/divided upholstery, please contact Offecct support for a quotation. Prices do not include pattern matching. Offecct reserves the right to determine the pattern direction and fabric face if there are no written instructions from the customer. For stiff fabrics, Offecct reserves the right to add seams on some models to ensure the best upholstery results. When choosing fabric outside Offecct's standard collection, any additional costs for upholstery samples will be charged to the customer. Textile materials may contain excess dye. Offecct is not responsible for dye transfer on or from textiles.

The Nordic Swan Ecolabel certifies that fabrics labelled with the EU Ecolabel meet European environmental labelling requirements for textiles.

Offecct is responsible for purchasing fabrics and other upholstery materials and reserves the right, in certain cases, to refuse specified upholstery materials if the final result is not expected to meet Offecct's quality requirements.

NOTE

Materials may vary in shade. For complementary orders in the same material, colour may vary from the previous order due to different dye batches. For example, Airberg, Membrane, and Soundwave® in standard design or Soundwave® in fabric Europost 2.

VELVET FABRICS

Velvet fabrics receive marks when stacked, so velvet is not recommended for stackable chairs. Pressure marks caused by other reasons may disappear when the fabric is steamed.

FABRICS AND LEATHER

To guarantee product quality, Offecct takes responsibility for purchasing fabrics and other upholstery materials. In certain cases, Offecct reserves the right to refuse the use of recommended fabric if the final result of the product is not expected to meet Offecct's quality requirements.

LEATHER

Offecct leather: Black leather (Q-serien). Standard leather: Elmosoft, Elmonordic, or equivalent, depending on the product. Leather has natural irregularities and individual marks due to healed scratches and insect bites, which should be regarded as proof of authenticity and quality, indicating that the animals lived outdoors.

DIRT-REPELLENT TREATMENT AND COATED FABRIC

A surcharge applies for dirt-repellent treatment and coated fabric. For coated fabric, please contact customer services for approved products and lead time.

FILLING

High-quality foam is used as the upholstery filling material in all our products, mainly foamed polyether. Most filling materials meet the requirements of Cal TB-117-2013 Section 3, the so-called "cigarette test."

CMHR

CMHR (Combustion Modified High Resilience) is a highly resilient flame-retardant foam that meets the UK Consumer Protection Act, Furniture and Furnishings (Fire) (Safety) Regulation 1988, Schedule 1, Part 1, ignition source 5. The surcharge for CMHR foam is based on the regular gross price (in price group 1) for the product + 4%.

Please note: CMHR often results in firmer seating comfort, particularly in our soft sofas. Please contact Offecct support for approved products and lead time.

PRODUCTS TO BE DISCONTINUED

Discontinued products are marked in the price list. Please contact Offecct support for current stock levels.

LACQUER AND STAIN

We offer a variety of RAL colours for metal frames according to Offecct Flexicolour. For other wood stains, please contact Offecct support for a quotation.

CUSTOMISED TABLES AND OTHER LAMINATES

Offecct reserves the right to determine the direction of pattern and fibre if there are no written instructions from the customer. For other varieties of wood, laminate, or materials for table tops, please contact Offecct support for a quotation.

WOOD

The wood used in our products is sourced from responsibly managed or certified forestry, and the board material used meets various standards for formaldehyde, such as US EPA TSCA Title VI and E1/E05.

GLIDES

All our chairs and armchairs (except sledge-based chairs) are fitted with ABS glides as standard unless otherwise stated. Sound-absorbing felt glides can be ordered at an additional cost for parts of the Offecct collection. Please specify the requested glides when placing your order.

MEASUREMENTS

Specified measurements are partly intended for interior planning and to indicate the function, ergonomics, and comfort of the product. Specified (nominal) measurements are rounded up to the nearest 0.5 cm. Measurements of the products have tolerances depending on their size, material, and upholstery. If tolerance intervals are required, please contact Offecct support.

Good to Know:

- **Handle with care!** A damaged edge or scratched surface can, in exceptional cases, cause the glass to crack suddenly. Avoid collisions from the side, as this is where the glass is most vulnerable.
- **Avoid corrosive cleaners.** When cleaning glass, do not use cleaners containing hydrofluoric or phosphoric acid, as they are corrosive to the glass surface.
- **Avoid harsh cleaners.** Do not use abrasive cleaners, powder-based cleaners, scouring pads, or other harsh materials to clean glass products.
- **Do NOT use acidic silicone.**
- Every adhesive or chemical compound must be tested to ensure it does not affect the edge of the glass.

Care Advice:

- Wipe with a clean, damp cloth, then follow with a clean, dry cloth.
- If any substance spills, wipe it off the table immediately.
